Dear Timecraft Customer:

Tropar Manufacturing Co., Inc. has acquired the assets of Timecraft. We welcome all Timecraft customers to our Tropar family. Tropar, like Timecraft, is known as a supplier of high quality corporate recognition awards and gifts. When the opportunity arose to acquire the Timecraft line we jumped at the chance, knowing that the customers and the products were a good fit for us. We plan to continue the tradition of quality at Timecraft while augmenting the marketing assets required to compete in today's fast-paced, digital world.

We are maintaining all Timecraft SKU numbers and wholesale prices for the balance of 2016. Existing Tropar customers may begin ordering right away.

If you have never purchased from Tropar please contact Phyllis Bosset, our Credit Manager, to get your account established quickly and easily.

Our family and staff here at Tropar look forward to serving your corporate recognition needs. Please contact any of our personnel listed below for further assistance. Welcome to Tropar!

Sincerely,
